

# Service Network UK

## > Authorised Service Centres

Your Hiab load handling equipment will be covered by a comprehensive network of Authorised Service Centres throughout England, Scotland and Wales. We have over 100 certified and well trained engineers focused on keeping your Hiab or any other brand of load handling equipment up and running – providing your company with happy employees and happy customers. To book any service or maintenance arrangements for one or all of your equipments, call our customer services department on 08456 072797, we will be more than happy to assist.
